FOREWORD

The Waco High School Tiger has come to symbolize not only the fighting Tigers of the athletic fields but all of the students of Waco High School as they represent the Gold and White in scholastic contests and in everyday life.

On the division pages of this yearbook the Waco High School Tiger is presented as the mascot of all our school life—the symbol of the four foundation stones of Honor, Excellence, Sportsmanship, and Citizenship that are the Spirit of Waco.

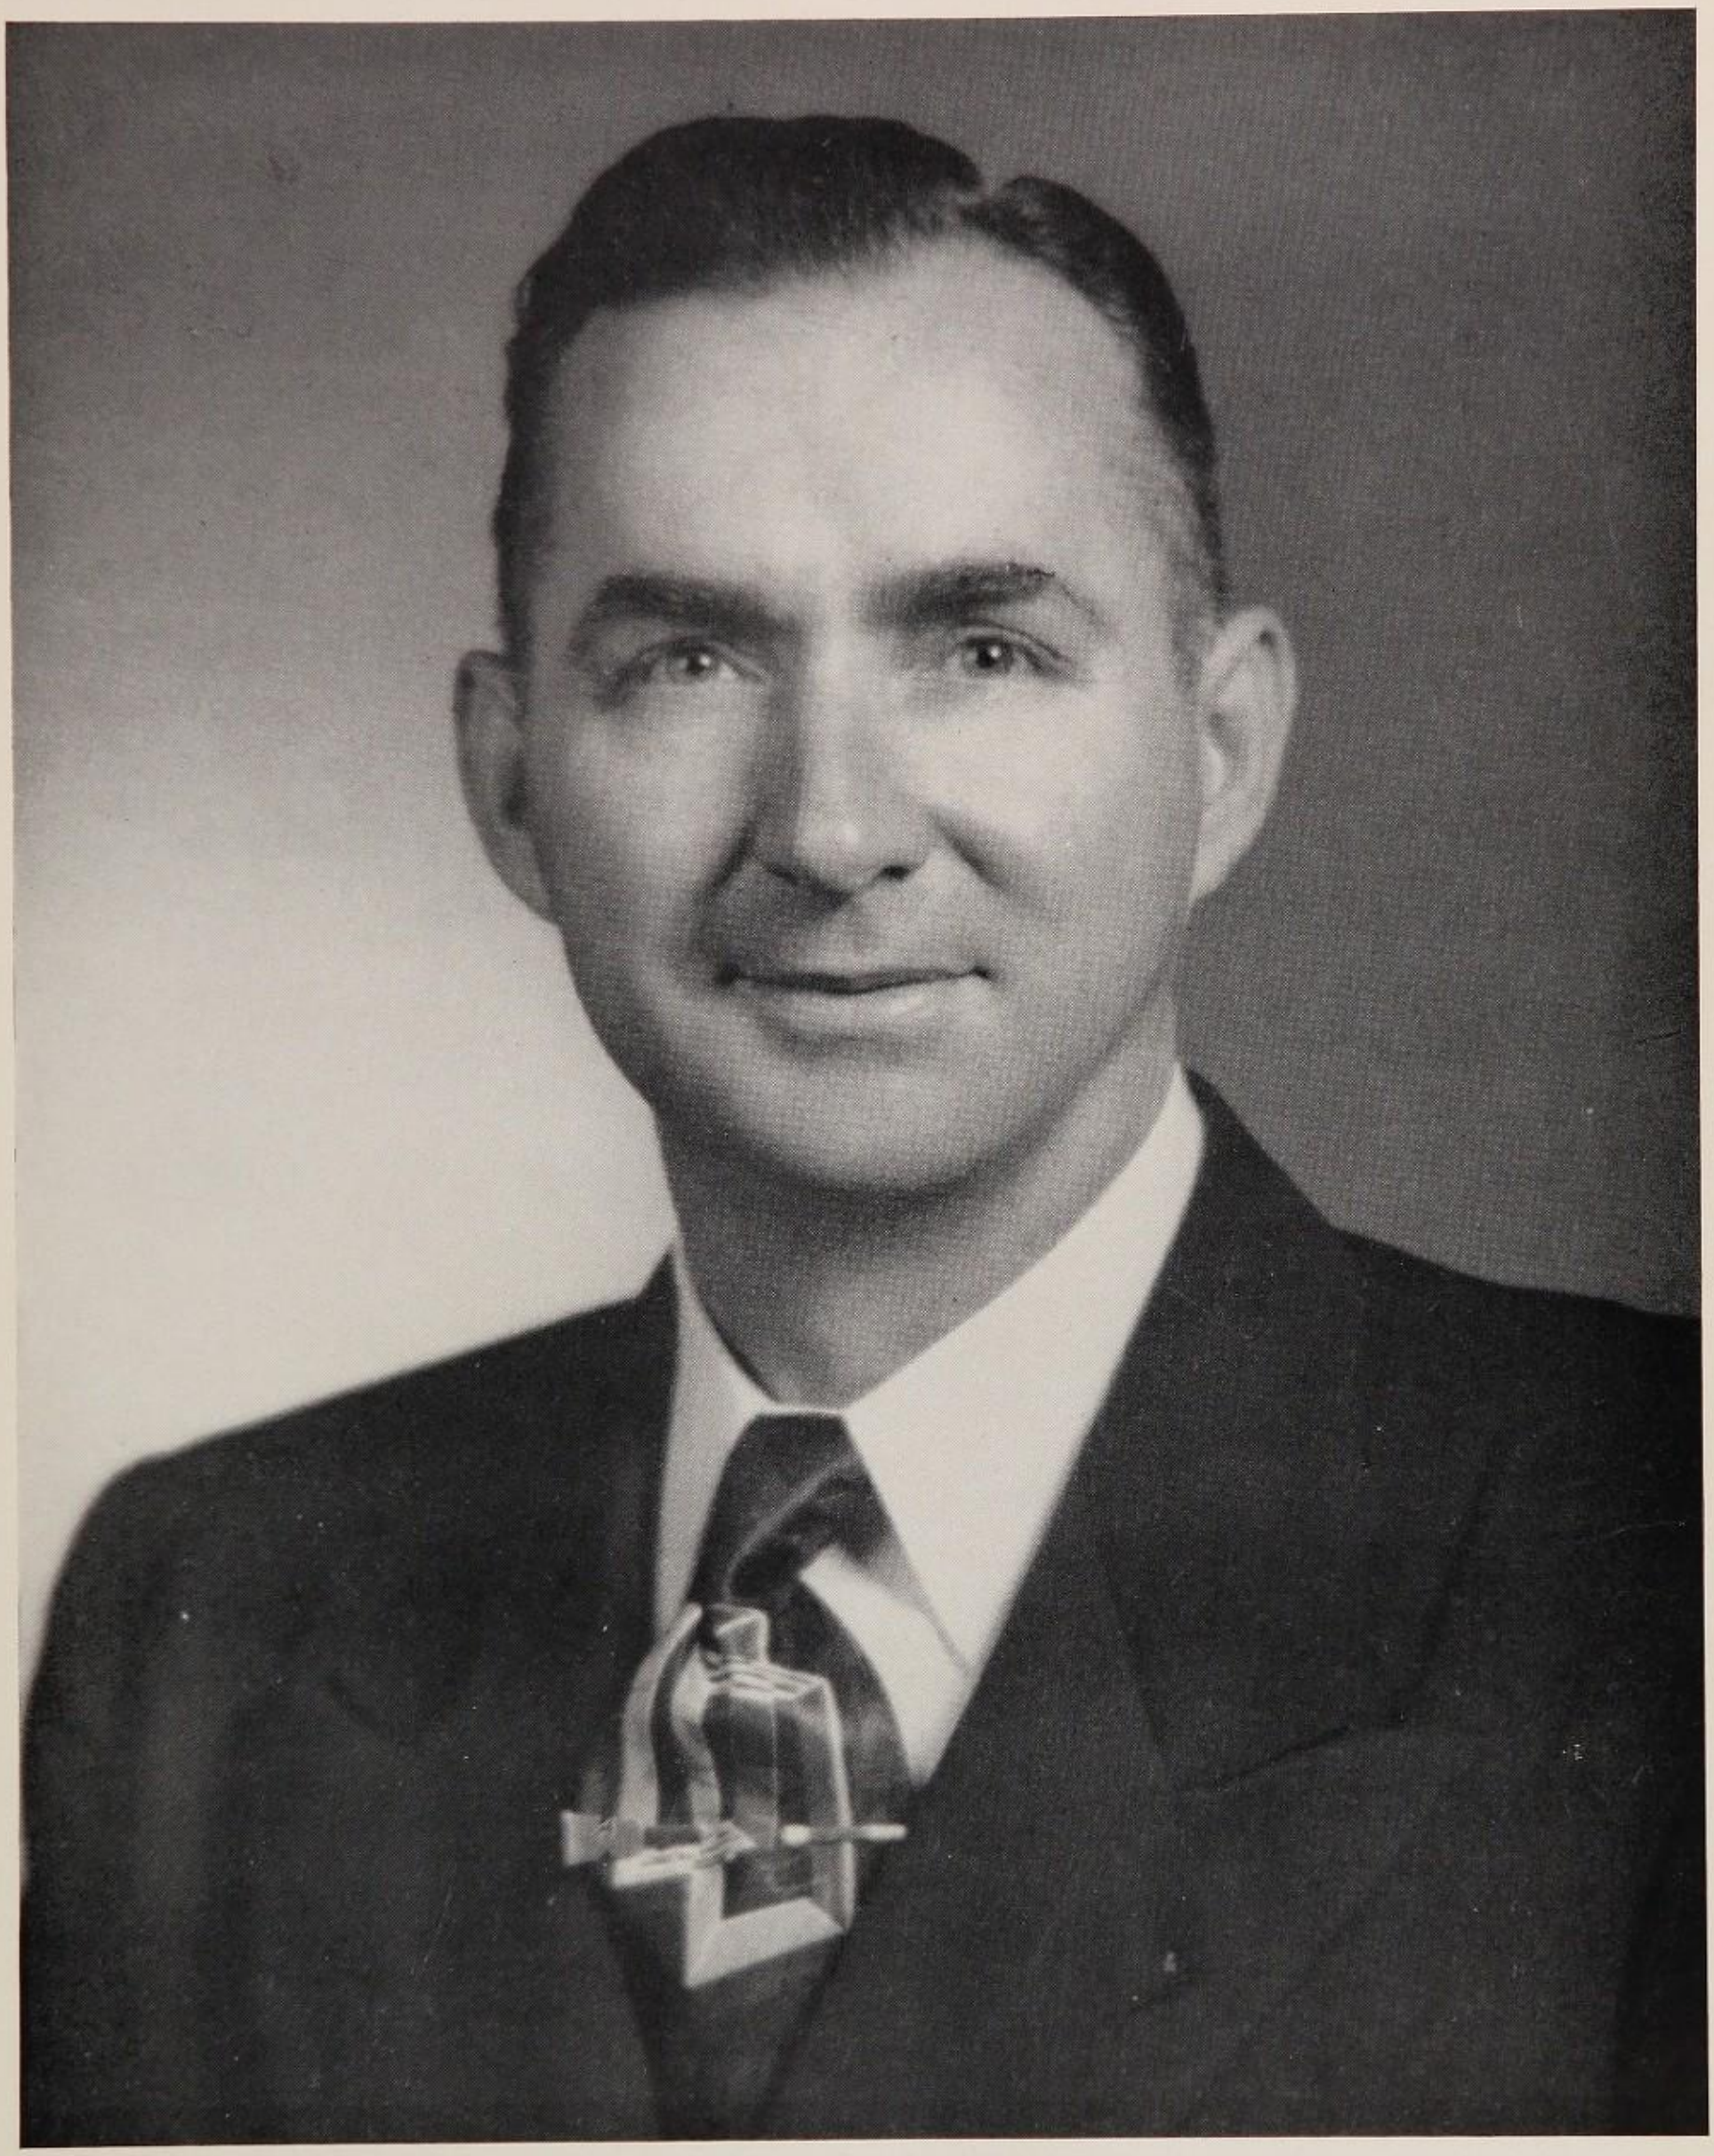
WE DEDICATE

this volume of the DAISY CHAIN to Mr. Thomas L. Ware as tangible evidence of our regard for him as a just and wise administrator, of our appreciation of him as a sympathetic counsellor, and of our affection for him as an understanding friend.

We the members of the 1951 Senior Classes will cherish throughout our lives tender memories of our high school years, and these memories will be enhanced by the many instances Mr. Ware has given us of his sincere interest in us as individuals and by the real effort he has always made to understand our problems.



MR. THOMAS L. WARE

BOARD OF EDUCATION OF WACO PUBLIC SCHOOLS

The members of the Board of Education of the Waco Public Schools are Messrs. Neil S. Foster, Walter B. Dossett, Ed Berry, Oliver Winchell, Phil E. Teeling, Oscar Tabb, and Dr. Howard Dudgeon Jr. Members ex officio are Business Manager J. E. Crews and Superintendent E. N. Dennard.

The work of the Board of Education is always heavy, but the building program made possible by the recent bond issue has greatly increased the load of the present board. Because of this extra load, special committees have been appointed to expedite the board's work.

A Building Committee is responsible for the construction of new schools and for additions to the buildings now in use. Members of this committee are Mr. Winchell, Chairman; Mr. Tabb, Dr. Dudgeon.

A Site Committee is responsible for securing the necessary land for school additions. Serving on this committee are Mr. Teeling, Chairman; Mr. Berry, Mr. Dossett. Mr. Foster is president of the Board.

The parents and young people of Waco are extremely fortunate in having such efficient and responsible men on the Board of Education and deeply appreciate their service to the community.

Row 1: Mr. Dossett, Mr. Teeling, Mr. Foster, Mr. Tabb, Dr. Dudgeon
Row 2: Mr. Berry, Mr. Winchell, Supt. Dennard, Bus. Mgr. Crews

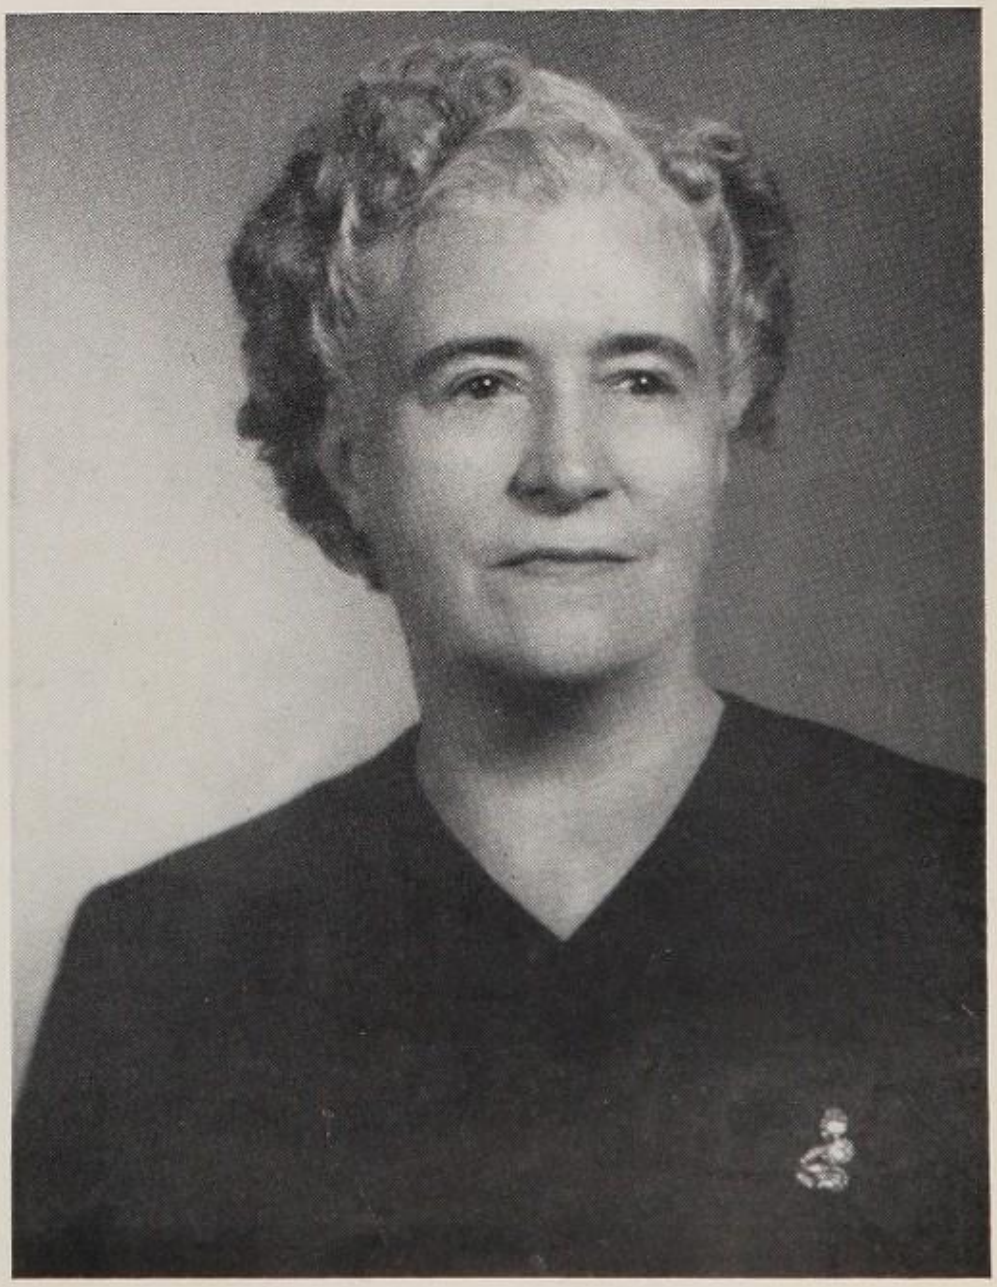
TRATION

MR. E. N. DENNARD, M. A.

Superintendent of Waco Public Schools

Though he has been in Waco less than a year, Mr. Dennard has already become an active member of our community. He has a friendly, easy manner that won the hearts of the Waco High School students at their first meeting.

Besides being a friend to all the many boys and girls under his supervision, Mr. Dennard has impressed all with whom he works with his willingness to work hard, with his efficiency, and with his desire to do a good job for the Waco Public Schools.



MRS. MARIAN C. BUTLER, M. A.

Assistant to the Superintendent in Charge of High Schools

Mrs. Butler has been successful as a classroom teacher, as the first Guidance Director of Waco High School, and as Assistant to the Superintendent of the Waco Schools. Mrs. Butler's success is due in part to her friendly interest in people of all ages, and in part to the thoroughness and efficiency with which she works.

For the past three years Mrs. Butler has supervised a program of curriculum revision intended to improve co-ordination between junior and senior high schools.

MR. THOMAS L. WARE, M. A.

Principal of Waco High School

Mr. Ware returned to Waco High School in the fall of 1950 after having served as Principal of West Junior High School for four years. After these few months, not a single high school student feels that Mr. Ware is a newcomer in our midst. He is familiar with every phase of school life and has cooperated to the limit with all activities.

With his teachers, Mr. Ware is a sympathetic administrator who has not forgotten the problems of the classroom teacher. Mr. Ware's kindness and genial understanding will always be remembered by his teachers and students.

Mr. Lade carries very ably the double burden of his duties as Assistant Principal and Boys' Advisor. As Assistant Principal he is in charge of the school grounds, cafeteria, study halls, and in addition he does credit checking for 11A boys.

As Boys' Advisor, Mr. Lade helps the boys of Waco High straighten out their problems, and serves as contact man between business men who want part-time workers and boys who want jobs. Mr. Lade's ability, tact, and kindness will be warmly remembered by all who are fortunate enough to work with him.

THE 1950 FOOTBALL SEASON

COACH CARL PRICE

AUSTIN

Although the 1950 football season will long be remembered as one filled with tough breaks, penalties, and injured players, the Waco High Tigers claimed third place in the District. The season opener was the first high school game in the football careers of some of the boys on the Waco squad. In this game the Tigers met the Austin Maroons, who later reached the State finals in class AA. The Bengals got their first and only chance early in the first quarter when the Maroons fumbled, with Blake Tucker recovering on the Austin 15-yard line. Four downs later the ball was on the 18-yard line where the Maroons took over. At the final gun the score stood 21-0 in favor of the Austin eleven.

BRYAN

The game with Bryan ended in a scoreless tie, with the Felines playing rings around the green-shirted Broncs. Little Blake Tucker, the "terror of the Tigers," was a rampaging demon in this tussle. Out of a total 178 yards gained on the ground, Blake was responsible for 109. Bryan capitalized on the Waco fumbles and penalties, but the score does not indicate how lopsided the game was. The Tigers had 14 first downs to Bryan's 5. The Bengals gained a total of 252 yards to a mere 70 for the Broncs; only 9 of these 70 were gained on the ground. The entire Bengal line was magnificent on the defense.

Coaches Riola, Bumgardner, and Jack Price

MARSHALL

The Tigers apparently had a jinx as far as crossing the double stripe was concerned. Three times in Marshall the Bengals had touchdowns snatched from their grasp to go down in defeat 19-0. An intercepted pass on the 1-yard line, a fumble on the 7, and an off-side penalty were the causes. John Ryals made a circus catch and then went 26 yards for a touchdown, only to have it called back. In the second half, Waco drove, drove, and drove some more, only to have scores snatched away from them. George Newman was a battering ram all night as he ripped the middle to pieces. Boyd Cox stood out in the line for Waco.

The Tigers dig in—at their banquet.

HIGHLAND PARK

The Scotties pulled the same trick that they did last year by coming from behind in the fading minutes to win by a 13-7 score. Although the Tigers were ahead 7-6 with 7 minutes left to play, a speedy Scot caught a pass behind the Waco backs to win the game for Highland Park.

SHERMAN

Friday the 13th was lucky for the Waco Tigers. They defeated Sherman High 19-14 in winning their first game of the season. The Bengals were handicapped by having to use inexperienced centers. Again George Newman tore the middle of the Sherman line to pieces, ploughing through and over, often carrying Bearcats with him. Buddy Vass set up the winning touchdown by intercepting a pass and returning it 29 yards to the 6. Newman smashed over from there.

CORSICANA

For the first 22 minutes it seemed that the Waco Tigers would upset the highly touted Corsicana Tigers. George Newman went over in the first quarter and fumbled in doing so. Blake "the Terror" Tucker twisted his knee early in the first half. The Waco teamwork went out with the fumble and injury, and it did not return until the last quarter. J. T. Marshall made the lone Waco tally on a pass from Truman Smith. The final score was 35-7.

Newman stiffarms his way past Waxy tacklers.

Hi Park Scots finally put the damper on Powers.

HILLSBORO

On a cold and windy night in Hill County the Waco Tigers fought from behind in the last 3 minutes to erase an upset-minded Eagle Team. Big George Newman started a drive and smashed most of the way himself until he plunged the last 4 yards. Jack Powell booted the extra point to up the score 20-14.

ENNIS

The Waco Tigers followed the flying heels of Harold Cobb to a 42-20 victory over the Ennis Lions. Cobb, converted from wingback to tailback, turned in an exhibition well worth the admission price. Cobb scored three touchdowns, Henry Rutherford one, Tillman Freeman two, while Jack Powell kicked all of the extra points.

TEMPLE

After roundly outplaying the Wildcats, Waco lost a heartbreaker to Temple 13-6. Harold Cobb went over for what would have been the tying touchdown, but the Tigers were off-side. The Bengals gained 280 yards to Temple's 182. The Tiger eleven completely dominated the ground; however, two 52-yard passes from Doyle Traylor proved to be the margin. Had Waco won, there would have been a three-way tie for the District crown.

The 1950 Kittens played a tough schedule against some of the best Class A and B teams of Central Texas, thus gaining experience they can use as Tigers next year. THE 1951 BASKETBALL SEASON

As the final buzzer sounded in the third game of the bi-district series between Waco and Austin High, the Maroons emerged three points ahead to win the three game playoff. These three points kept the Tiger quintet from reaching the State play-offs in Austin. Coach Major Keithly's boys had to be content with an undefeated district crown and with setting a new record for personal scoring with Fred Gottlieb's 190 points. The torrid Tigers swept through regular district play unbeaten and untied.

Waco fans had the pleasure of witnessing the first game of the Tiger season at home when the Waco five downed Poly Tech of Fort Worth 45-38. To continue their pre-season warm up, the Tigers went to Bryan and entered a tournament, beating Galena Park 51-46 and Woodrow Wilson 43-41, but losing to a powerful Crozier Tech team

53-21. The Felines met Poly Tech again in Fort Worth but the alert Parrots succeeded in edging the Tigers 54-50. Playing at home, the Tigers were smothered by Crozier Tech 50-25. Determined to win, the Bengals traveled back to Dallas and were barely beaten by the same Crozier Tech team 46-41.

The Tiger quintet entered the Dr. Pepper Basketball Tournament in Dallas but the Sherman Bearcats bounced the Bengals in the first round 59-46. This defeat dropped the Felines into the consolation scramble where the red-hot Tigers blasted all foes to win the consolation crown. The first victim was Duncanville which was completely outclassed 80-30, with Tiger subs playing more than half of the game. Next, the torrid Waco five plowed under Greenville 59-39, and Jesuit of Dallas 57-47. In the finals the Tigers came from behind to win from the Adamson Leopards 39-37, and with this victory came the consolation trophy.

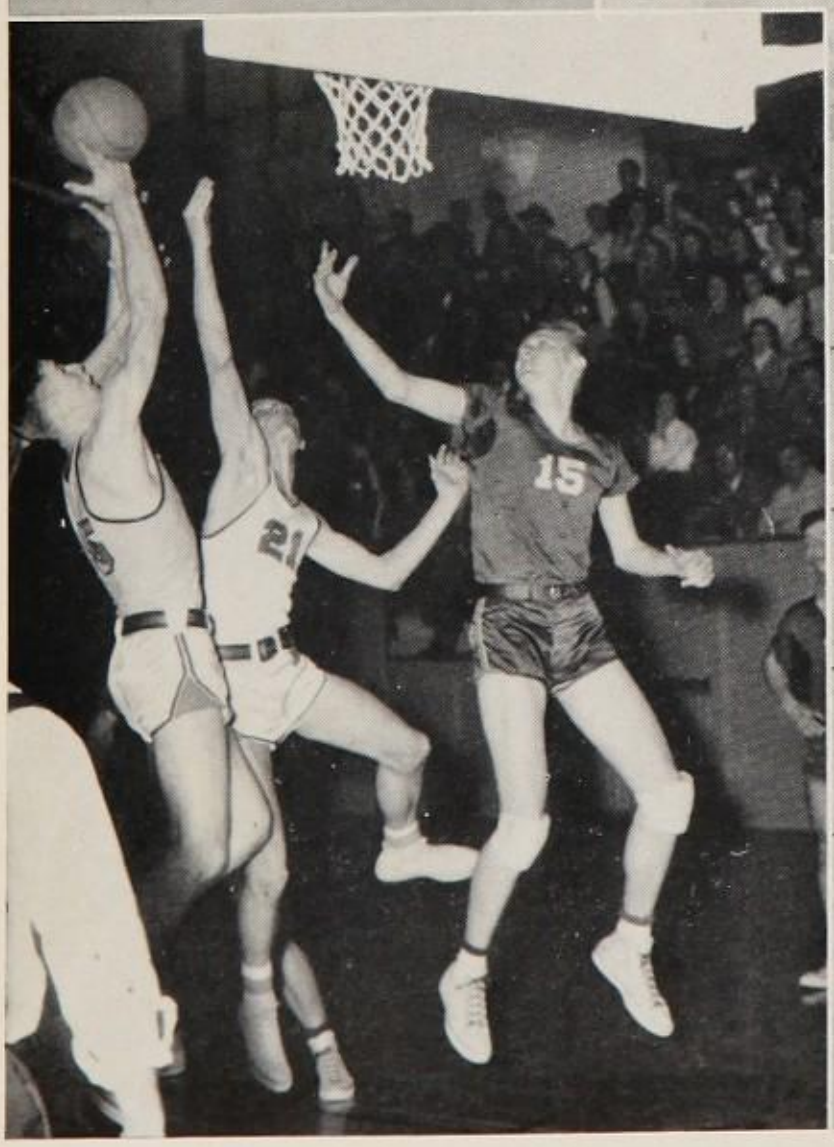
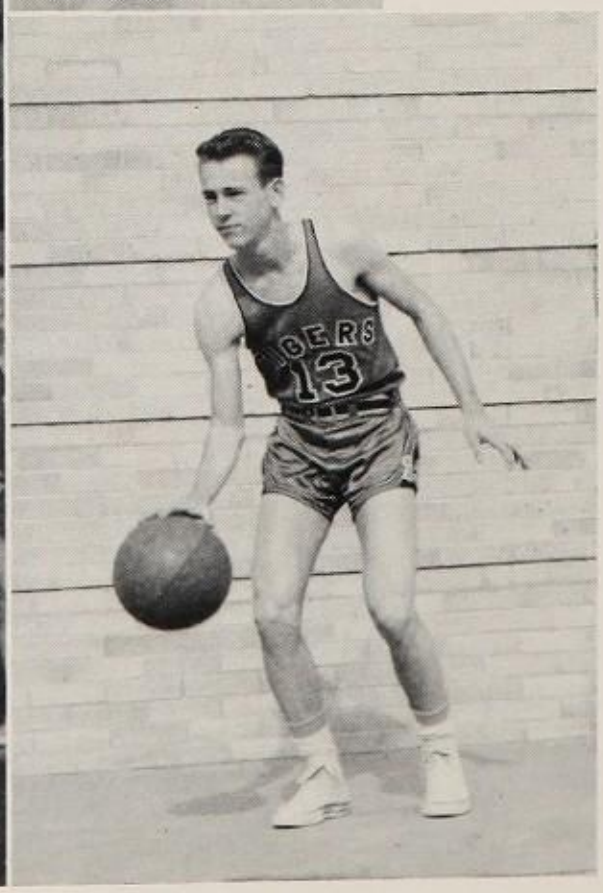
After the Dr. Pepper Tournament the Bengals traveled to Houston and again were defeated in the first round of championship play by Sam Houston 35-23. Again the Tigers came right back and stormed over St. Thomas of Houston 53-36 in the opening of the consolation round. In the quarter-finals the Tigers led for three quarters but Freeport beat the Bengals 49-47. Galena Park, whom Waco had beaten before, won the consolation crown by downing Freeport 53-49. The Tigers returned home to stomp Cleburne 46-34 before beginning district play.





The Waco Tigers made their district debut as hot as the proverbial two-dollar pistol. The first district game was played in the Waco High gym. The Tigers kept the Hillsboro Eagles sewed up and walked away with a 61-28 decision. Big Fred Gottlieb was high point man with 26 points. After this overwhelming victory the Tigers went to play a non-district game in Dallas where Highland Park slipped

by the Felines 50-48. Returning to Waco the Bengals continued their torrid district pace by liquidating Ennis High School 62-28. Acy Cooper took individual scoring honors with 16 points; right behind him was Fred Gottlieb with 14 points. Still riding on top of their district steam roller the Bengals flattened out the defending champion Wildcats 52-34 on the Temple home court.

Although tall Fred Gottlieb took individual scoring honors with 20 points, Tiger center Bill Merritt was the best player on the court. Merritt was second in scoring with 14 points and played marvelous defensive ball. Highland Park came to the Waco gym in a non-district spine-tingler, winning over the Tiger quint by one point 35-34. Making up for the one point loss the Tigers climbed aboard their district band wagon and blew down Corsicanas' tall Tigers 55-41. In this the fourth straight district win, Waco's Freddie Gottlieb, the district's leading scorer, again captured individual scoring honors with 17 points. Next in line on the Waco quint was Acy Cooper with 14 and Donnis Raines with 12 points.

Unextended in the first four district games, the Bengals, on their home court, scalped the Waxahachie Indians 49-37. The amazing Fred Gottlieb again was high scorer with 20 points, holding his team together in the clutch when they seemed ready to come apart. Giving his regulars a well earned rest, Coach Keithly played the Tiger subs against Cleburne, but the subs were not enough and lost 38-31. Entering the second half of undefeated district play, the amazing Bengals continued the slaughter by whipping Ennis 57-36. Keeping his title of top district scorer was Fred Gottlieb with 24 points; Cooper followed with 18 and dependable Donnis Raines made 12. The Temple Wildcats journeyed to Waco for a showdown but the Cats were brushed aside by the rampaging Tigers 60-37. The steam began to leak out of the boiler as the Tigers downed Corsicana 41-37. The Bengals could do nothing right and for the first time in district play were outmanned under the backboards. Gottlieb was high with 18 points and Bill Merritt was second with 11. Donnis Raines was the hero of the ninth straight district victory as the Tigers came through in the clutch, playing championship ball, to defeat Waxahachie 43-41

in the final minutes. Dependable Donnis outscored the famous Fred Gottlieb 14 to 12 points. He was the top scorer and by far the outstanding player. The other member of Waco's "big three," Acy Cooper, was slump ridden and was replaced by Joe Foster who showed fine defensive ability. The last game of the regular season was with the Hillsboro Eagles, who were unable to stop the Bengals in their 41-35 conquest. Harold Cobb was high with 12 points, followed by Gottlieb who had 10 markers.

BI-DISTRICT

Coming from behind, the mighty Tigers refused to be denied and overcame the powerful Austin Maroon quintet. The Waco gym was packed to overflowing and in the final minutes silence was something unheard of. The big thorn in the Bengals' side was skyscraping Bill Banks who dominated the backboards before fouling out. The Tigers became the first Class AA team to defeat the Maroons this year, as Fred Gottlieb and Bill Merritt shared scoring honors with 14 points each. Donnis Raines played well and Wayne Connally was all over the court with his firehouse tactics.

In the second game in Austin the Maroons refused to play ball and stalled for two-thirds of the game. The Tigers started like a house afire making 6 points in the first 2 minutes. However, Austin went into a deep freeze and finally beat the Bengals in the last 3 seconds of a 3-minute overtime period 33-31. Dynamic little Max Simpson started in his guard position and Wayne Connally batted away many shots that were headed for the hoop in his usual fine floor game. Bill Merritt did a great job in holding Banks to 12 points.

Coming home for the third and final game the Tigers tried hard to overcome the freezing tactics of the Maroons but were beaten by 3 small points. Glen Langford and Max Simpson turned in fine performances, as did Bill Merritt, Fred Gottlieb, Donnis Raines, and Wayne Connally.

The Tigers will lose only three players from this year's line-up Bill Merritt, Joe Foster, and Glen Langford, and only one of these three, Bill Merritt, was on the starting five. The Bengals will have a veteran quintet returning, with many promising substitutes. With this wealth of experienced players, the Tigers should go far in the 1951-52 basketball season.

O'Neal, Simpson, Foster, and Langford enjoy the banquet.

BOYS' TENNIS

Coach: MISS MARY FICKLING

The Waco High School boys' tennis team has two of last year's lettermen returning for the 1951 season. They are George Newman, the power man of the team, and Jerry Griffitts. These smooth stroking boys are tied for first place on the team.

There are four new players in the senior class. They are Ronald Cunyus, who has third place, Donald Cunyus, fourth place, Harris Allen, who is up from junior high, in fifth place, and T. W. Hosch, who is a transfer from Port Arthur, in sixth place.

In the junior class, Bill Rogers is the best player. He is also just up from junior high and will be playing good tennis for Waco High.

This year Waco plays Temple, Austin, Bryan, Gatesville, and Highland Park in district. If they win district, they will go on to bi-district and play Fort Worth and other cities. The team is enthusiastic and hard working and their outlook for a successful season is good.

GIRLS' TENNIS

Coach: MISS MARY FICKLING

The girls' tennis team, coached by Miss Mary Fickling, consists of fifteen promising girls. The senior team is composed of eleven girls from all grades, fifteen years of age or older. Barbara Bryant, Waco's number one netter, is a senior, as are Benita Self, another top contender, Jean Waddell, Mary Frances Ellis, and Billie Sue Mullen. The juniors include Beverly Bartlett, Gloria Patton, and Jane Harvey. Barbara Cox, Susan Aynesworth, and Martha Ann McGlasson compose the freshman contingent on the team. Miss Fickling is expecting some good playing from these young netters. The all-freshmen quartet of junior players, those fourteen or under when school began in September, are Shirley Bunn, Catherine Burch, Linda Young, and Lynne Koehler, who has still another year as a junior player.

The team journeyed to several neighboring cities and participated in tournaments with teams from their high schools. Among these were Austin and Temple, both of whom Waco High has played on a "home and home" basis for several years. Also several teams were entertained here both on Waco High's new tennis courts and in Cameron Park.

TRACK

Coach: MR. CARL PRICE

The Waco High track team has very few returning lettermen but there are several newcomers who have shown much promise. Leading the way this year are pole vaulters, J. T. Marshall and Joe Vuillemin; high jumpers, Jack Cox and Hampton Clay in the field events; while veterans Howard Pharr and Eddie Slavens pace the runners.

The Tiger track team wound up third in the Brownwood Relays, with Marshall copping our only first place, in pole vaulting. The whole team has shown great improvement and promises to be a strong contender for the district title.

The Senior Band was present at all football games, including the games at Marshall, Corsicana, Hillsboro, and Waxahachie. All the district basketball games played at home were cheered on by the band. Music was furnished for all assemblies and several pep rallies.

The musicians of Waco High participated in the Armistice Day Parade, marching for 17 blocks on Austin Avenue and 6 blocks on Franklin. In the Christmas Parade, which is also an annual affair, the Waco Band helped set the spectators in gay spirits by the lively tune of "Jingle Bells."

January found the bandsters in Dallas taking part in the halftime activities of the Cotton Bowl game between Texas University and the University of Tennessee. All who made the trip enjoyed much fun and work.

The Band Clinic held in Galveston was attended by many Waco Band members. Carrin Dunne and Fisher Tull received the honor of playing in the All-State Band. As another annual event, the Waco High Band will participate in the Interscholastic Band Competition in Waco, May 4 and 5.

Each fall it has been the custom of the Senior Chorus, with the help of the rest of our Music Department, to present an operetta. We again gave one of the Gilbert and Sullivan productions, *The Pirates of Penzance.* The play was directed by Mr. Bill Kitchens and Mr. Wm. D. Wheatley. Barbara Dalton as Mabel and John Ed Francis as Fredrick, Bob Davis, Don Teague, Bobby Sanders, Camilla Crane, and Betty Jo Beazley along with many others were honored with leads in the brilliant production. It was given for the high school in a matinee show and for the public at an evening performance.

The annual Christmas program presented at Waco Hall was again participated in by the Senior Chorus along with the other school choruses.

CHORUS

In February we sent four delegates to Galveston to represent us at Texas Music Educators Convention, where they sang in the All-State Choir. The four delegates who represented the Chorus were James Brown, Bobby Haddock, Camilla Crane, and Ann Wilson. They reported a grand time and received a great deal of benefit along with the pleasure of being at Galveston.

A part of our Easter celebration is the annual Easter Cantata, *My Heart is Glad.* It was presented at an assembly for the entire school. This gave many people chances to show their talent to the high school audience. Part of this cantata was given at the Easter Sunrise Service in the Baylor Stadium. This has been the third year we have presented the cantata.

We sang many times during the year for organizations over the city. At The World Day of Prayer, we presented the music for the program. The Rotary Club asked us to sing for them several times. The chorus, featuring Ann Wilson, Nyla Paulson and James Brown as solists sang for the Education Observance Week program put on by the Masonic Grand Lodge. We also sang for the Downtown Bible Class and for the Bach Festival, which is another annual event.

Including our parties and many activities, we all consider this year of 1950-51 a very enjoyable and successful one for the Senior Chorus of Waco High School.

The Intermediate Chorus is composed of forty-five members. The girls are promoted from the Junior Chorus and work hard to prepare themselves for the Senior Chorus. They are divided into small ensembles and learn to work in small as well as large groups.

This year the group helped make up the chorus for the operetta, assisted with the Christmas and Easter programs and with other assembly programs.

The experience afforded by membership in the Intermediate Chorus provides well-trained members for the Senior Chorus.

The Student Government was first started in Waco High School in 1925 and was a success. It is now one of the most important school activities. The Student Government is affiliated with the Texas Association of Student Councils, Southern Association of Student Councils, and National Association of Student Councils.

The Waco High School Student Government co-operates with other schools of District 13AA in sponsoring the Good Sportsmanship Code and carries out its provisions by entertaining other schools when they come for athletic and scholastic competitions and by making good will visits to other towns.

Trips to Temple, for the District 13AA League and to the Southern Association in Oklahoma City were the highlights of the fall activities. In the spring Waco attended the Texas Association Convention at Sunset High School in Dallas.

The government now consists of a mayor, four commissioners, a city manager, and a city secretary.

REPRESENTATIVES

The homeroom representatives were organized in the late 1930's to play a vital part in the Waco High School Government. They form the connecting link between the student body and the officials of the Government. This group represents the student body directly; one representative is elected by each homeroom.

The homeroom representatives attend all representative meetings, take notes and report the business accurately to each homeroom. They are in charge of all elections carried on through the homerooms, including the elections of the Football Queen, Most Representative Boy and Girl, Yell Leaders, and Commissioners in the fall and spring.

The government heads the school Membership Drive of the Parent-Teachers' Association and promotes the March of Dimes and the Community Chest. They support school activities wherever and whenever their services may be required.

When students become library assistants, they understand that they are to render valuable service to the school through the library. Their "assignments" are daily routines of checking slips, books, magazines, records, folders, newspapers, and other material in the library.

There are about 100 steps from the choosing of a book to the check-out process, and students assist in a large number of these. In a library collection such as Waco High School has, every activity must be done in an orderly manner to get the maximum use of the material. Assistants are necessary to the functioning of our library. Two assistants work as typists each semester. Along with the work, library assistants enjoy the pleasant association with faculty members and students.

In the spring, the assistants organized and affiliated with the Teen Age Library Association, which is a branch of the Texas Library Association. Two representatives attended the State Convention in Dallas.

The Girls' Athletic Association is an organization of twenty-one girls who assist in the routine duties of the daily Physical Education classes.

This group was organized by Miss Morehead and has been a part of the high school program for a number of years. The organization serves as a training course for future leaders in the field of Health and Physical Education.

The girls chosen in this group are selected by the following requirements: scholarship, ability as leaders in recreational activities, interest, personality, and health. Only senior girls having completed two years of Health and Physical Education are members of the G. A. A. After the first semester, members are entitled to wear the G. A. A. pin.

This group holds its weekly club meeting on Monday afternoons. The members have representative teams in the various intramural activities of the school. They assist in the recreational program which is open before school and at the lunch periods. By rotating, the members help with the checking in and out of equipment. The G. A. A.'s are interested in and well represented in the various activities of the school.

At the close of the school year, a banquet is given for the club and awards are made to the most outstanding G. A. A. of the year, and to the second and third place winners.

As the enrollment of Waco High School has grown and as the work of the administrative offices has become heavier, part of the added work has been done by student office assistants.

Students who want to work in the offices make application and are chosen on the basis of their scholastic standing and their participation in school activities, and on recommendation for dependability.

The office assistants work on many different jobs. They serve as receptionists, operate the telephone exchange, collect absence slips and assist in the attendance office, and do typing and filing in the registrar's office. The business manager, the head coach, and the director of distributive education use student secretaries.

The office assistants render a real service to the school and their work is recognized and appreciated by the administration.

Each homeroom elects a member to serve on the Junior Red Cross Council, the planning committee for Junior Red Cross in Waco High School. In keeping with its motto "Service to Others," the Council plans projects, both at home and abroad, that are correlated with school activities.

Junior Red Cross work in all its phases is studied at summer training camps sponsored by the American Red Cross. Helen Watson represented Waco High School at the camp at Petit Jean State Park, Morrilton, Arkansas, last June.

Projects during the year have been the annual membership and gift box campaigns, two service projects at the Veterans' Administration Hospital in Waco, service at the chapter house, and collection of magazines for service men.

The Waco High School debate squad had a very prosperous season, both in winning trophies and gaining experience.

The first tournament attended was held at Denton High School and N.T.S.C. Those attending were Roger Fleshman and Melvin Ledbetter; Don Howell and Winston Miller; Charlotte Aronson and Anita Wetterman; Neta Lee Wizig and Nancy Teeling. In boys debate Melvin Ledbetter and Roger Fleshman placed first. Charlotte Aronson and Anita Wetterman won the first place trophy in girls' debate, while Neta Lee Wizig and Nancy Teeling placed third. Waco High also won the sweepstake trophy, having acquired the highest number of points.

At the Baylor-Waco tournament eight teams were entered. Winston Miller and Roger Fleshman went to the eliminations in boys debate; Neta Lee Wizig and Mary Talley in girls' debate.

The last meet attended was at SMU on March 2 and 3. The national topic was debated. Those going to the eliminations were Neta Lee Wizig and Mary Talley in the girls division; Don Howell and Winston Miller, Melvin Ledbetter and Roger Fleshman in boys. All of these teams went to the quarterfinals.

Prospects for Interscholastic League contests in March are bright, although the competition is much stiffer this year because of many changes in Interscholastic League.

The average membership of the Waco Chapter of the National Honor Society is fifty. Its aim is to encourage students to do excellent work in all subjects.

Under the leadership of J. C. Cobble, president for the 1951 fall and spring terms, the club has had an active year.

For the last four years, a National Honor Society scholarship examination has been given. This year it was given on March 13, to seven high hanking seniors. Students participating will be competing for an approximate $400 scholarship.

Each term the initiation of the new members of the National Honor Society takes place as an assembly program. For the 1951 fall term the following members of the Society participated on the assembly program: Scholarship, Leslie White; Leadership, James Wood; Service, Charlotte Aronson; Character, Allene Bailey. Norbert Lopez gave the history of the National Honor Society and Howard York presented the membership cards. For the 1951 spring term, the participants on the program were: Scholarship, John Chambers; Leadership, Eunice Gummelt; Service, Ray Montgomery; Character, Sandra Mayfield. Winston Miller gave the history and J. C. Cobble presented the memberships.

Immediately following the assembly program, the members of the Society and their parents are guests at a tea in the Home Economics Department which has come to be one of the outstanding events of the school year.

The Architecture Club is now in its third year and is still growing in popularity. The enthusiasm of the members and the appeal of the club's work account for the steady increase in membership.

The members are divided into groups that are responsible for the planning and presenting of the weekly programs, under the supervision of the program chairman, the vice-president. Each semester at least two field trips are participated in by all the members for the purpose of observing and studying various phases of architecture. If possible, actual construction of buildings of different types is observed.

During the spring semester the Architecture Club presented a program for the Newcomers. Members have also appeared before other groups. The club sponsored a booth at the All-School Carnival and co-operated with all inter-club activities.

The first few meetings of the club are spent in organizing and teaching new members how to play the game. The rest of the meetings are spent in a chess tournament. The chess champion in the fall of 1951 was James Frazier with Bob Davis as runner-up.

The Library Club gives members an opportunity to explore and present programs using the various types of material available in the library of today; namely, books, films, film strips, records, newspapers, magazines, clippings, and pamphlets. Programs on topics of interest are prepared by students, with two outside speakers presenting a book review each semester. The English Literary Society members were guests for one meeting.

The monthly selections of the Young People's Division of the Literary Guild are popular books for reviews and reading.

Book Week gave opportunity for decorating every homeroom in the school with book jackets and poster streamers which emphasized new books. A committee planned and "dressed" the library with Christmas decorations.

As a project to further the reading interests of students during leisure periods, members brought recent issues of popular magazines to the lower study hall.

One social meeting is held each semester.

The Distributive Education Club, Charter 51, was organized in October 1947. Membership is limited to students interested in Distributive Education.

This club is one of the few in Waco High that is a member of both a state and national organization. Once a year there is a State Convention of the Distributive Education Clubs of Texas to which the Waco club sends delegates. This year the Convention met in Houston at the fabulous Shamrock Hotel. The Waco Club was represented by Harold Wooldridge, John Mitchell, and Donald Ray Smith as delegates and was honored by having John Mitchell elected State Vice-President.

The purpose of the D. E. Club is to aid in the development and the growth of its members in their business life. The creed of the club is based on good busi-ness ethics and emphasis the importance of honesty and integrity in the field of distribution.

The Down Beat Club was organized by several students collaborating with Miss Grace Hamilton and Mr. Graeter. The programs consisted mostly of recordings featuring bands and artists. A typical program would usually consist of some old instrumental records, progressing to the newer and more progressive era. Occasionally, a vocal recording was played.

The type of music played was not the so-called popular music and should not be confused with such. The music consisted of good swing, jazz, and occasionally a dash of be-bop. No records were played that were not in the top group in their specific field except to contrast the old and new school of thought.

Whenever possible, an organization was featured and the personnel was placed on the board. Special attention was given to the personalities of all soloists and leaders.

Toward the end of the semester a poll was held determining our opinion of the tops in music.

The chief project of the English Literary Society is the publishing of the LITERARY LIGHTHOUSE, a magazine which is issued each semester to carry out the club purpose of promoting literary activities in Waco High School.

For this same reason English Literary Society awards a medal to the highest ranking English student in each graduation class. Medals are also awarded to the pupils who make the highest grades on the competitive English examination which is given to the graduating classes in the four junior high schools.

At the beginning of each semester the club sponsors the project of selling the new members as slaves, with a two-fold purpose of financing the club and initiating the new members.

Other club activities this year included hearing interesting speakers on various subjects, enjoying social hours, putting on a skit for Newcomers Club, and joining with the Library Club for a Christmas party.

The Forum Debating Society engages in many contests, programs, and school events. Highlights of the school year of 1950-51 were literary and athletic competitions with its arch rival, Rostra, and a highly successful dance given during the early spring.

In the field of literary and speech events, Robert Graves and Melvin Ledbetter placed second and third, respectively, in the annual public reading contest with Rostra. Melvin Ledbetter and Roger Fleshman tied for first in the extemporaneous speaking contest, while Rostra's representatives gained a third place tie.

Leslie White and Alton Clark won for Forum in the essay writing contest, first and second places, respectively. The radio-speaking contest saw Forum again as the conquering hero when Royce Brownfield and Melvin Ledbetter took first and second places. The preceding contests gave Forum a wide margin in contest points over Rostra.

Mrs. David E. Wood has proved herself a very capable boys' club sponsor. Her understanding and patience have helped the club immeasureably.

The Future Secretaries' Club is planned for those students who want to become stenographers and secretaries and who are willing to take this club period time to learn some of the things for which we have very little time during the one year of shorthand that is offered in Waco High School.

Programs are planned on such subjects as filing, business machines, the use of the telephone, the methods of locating a job, and pointers on applying for a job. The study of each topic is usually presented by the sponsor, emphasized by pupil activities and outside speakers and demonstrations.

The Garden Club, organized in the fall of 1948, continues to hold the interest of both girls and boys. Activities of the club this year have included planting, both indoors and out, studying color combinations and flower arrangements, and making corsages.

Visiting speakers have demonstrated arrangements for the living room and dining table, arrangements of dried material, and corsage-making. Other speakers have presented illustrated lectures, showing colored slides of famous Texas and European gardens.

After a study of bulbs and house plants, the club, by groups, planted several varieties of plants and bulbs.

During the month of December the club sponsored a Christmas contest, featuring table, mantel, and door arrangements. The following members were awarded ribbons for their entries: Katherine Matthys, Margie Reed, Virginia Yearwood, Donna Lou Knipstein, Margaret Barcus, Barbara Walters, Pat Morris, and Helen Johnson.

Hi-Y is a voluntary club for boys in the tenth, eleventh, and twelfth grades of high school, sponsored by the Young Men's Christian Association. The Hi-Y movement is international in scope, Christian in emphasis, interdenominational in character, and democratic in practice.

The Hi-Y purpose is to create, maintain, and extend throughout the school and community high standards of Christian character. The four planks of the Hi-Y program are clean speech, clean sportsmanship, clean scholarship, and clean living.

The Hi-Y Club meets at the Y. M. C. A. on Wednesday nights. The meetings are usually followed by a period of recreation in the Y. M. C. A. gymnasium.

The Y. M. C. A. gave the Hi-Y Club a hayride in the fall term. It was enjoyed by all the members and their dates.

Two delegates were sent by the Hi-Y Club to the HiY- Training Conference in Houston and then to the Model Legislature in Austin. The representatives are still telling the rest of the club members what a grand time they had and the many things they learned at the conferences.

The Hobby Club is made up of pupils having a personal hobby they enjoy outside of school. Each week this group has a program presented by two or three members who demonstrate their individual hobbies.

The club votes each meeting on the best presented hobby and toward the close of the semester, weekly program winners are in final competition to determine which member presented his hobby most accurately and with the greatest originality for interest appeal.

Hobbies vary widely. Some members collect stamps, match book backs, after dinner cups and saucers. Others are interested in raising and training animals, and several are builders of models such as trains, planes, and cars.

The spring program committee was composed of Chairman Ronald Cunyus, Jon Gartman and B. L. Dietrich.

The members of this committee for the spring term are John Chambers, Wayne Tasker, Sander Frindell, and Joan McBride. These committees have presented many interesting as well as informative speakers.

Members who correspond with foreign teenagers sometimes read letters they have received. Members who have visited or lived in foreign countries have given talks. Singing groups are occasionally "imported" to give variety to the programs.

The International Relations Club also participates in all inter-club activities. This club will be in charge of a project for the annual Carnival.

Chairman and Checkers from all Classes

The Junior Classical League of Waco High School is open to all those who take Latin. A meeting is held once each month. The business of the club is discussed and a program concerning Latin is given. A J. C. L. point contest is held each year. Each member tries to get as many points as possible and the person having the most points at the end of the year is awarded a medal.

This year we were fortunate to have Ky Ewing elected as the Vice-President of the Texas State Junior Classical League.

Other than the officers that are elected by the club, chairman and checkers are appointed by the president. The chairman's job is to plan programs for the monthly J. C. L. meetings. The checkers are responsible for all business matters held in their particular section. The chairmen in the fall were Margaret Miller, Catherine Burch, Nancy Reed, Roger Conger, Betsy Russell, and Don Chatham. The checkers were Bill Rogers, Robert Wooley, Hugh Henson, Susan Aynesworth, Norris Ferguson and Mary Ruth Spence. The chairmen appointed for the spring term were Patty Nail, Rikki Amsler, Marion York, Carolyn Brite, and Camilla Crane. The checkers are Ralph Donaldson, Katherine Ann Stone, Tommy Collins, Jimmy Bennett, and Joe Rhyne.

Fall activities carried on by the J. C. L. this year were a Football Dance with the gym decorated as a football field, a pencil sale, a Tea Dance. In the spring we sold address labels.

The J. C. L. convention was held in Huntsville, Texas this year. Waco was chosen to be in charge of the social activities workshop. A bus was chartered to take those members who wished to go.

Latin Week was observed from March 11-17. Among other activities, we held our annual tea and invited the junior high Latin students and the mothers of those taking Latin.

With an original charter membership of 15 boys, Key Club International has grown to its present membership of some 30 boys. The last two charter members, Jack Burch and Blake Wade, graduated this May.

The first project for the fall of 1950 was a drive for clothing for underprivileged children, sponsored by the Kiwanis Club and conducted in the High School by the Key Club. The next project that claimed the attention of Key Club was the Forsgard Thanksgiving basket drive. The boys offered their cars and delivered the baskets.

Christmas rolled around and the Key Clubbers were again aiding a Kiwanis project. Each year the Kiwanis Club sponsors a Toy Chest, so the Key Club helped by sacking and distributing them.

With the beginning of the spring term many projects were planned. Members visited Temple and helped start a Key Club there. A very successful dance was given. During the Baylor-Waco High School Forensic tournament, Key Clubbers served as guides, time keepers and chairmen.

All in all, the Key Club had a full year, as well as a successful one.

After its second year of reorganization, the Mask and Wig Club of 1950-1951 has been living up to the standards set by the previous clubs.

It is the purpose of the club to foster the advancement of speech activities.

This year the club has been working with declamations, pantomimes, plays, magician shows, and many other activities. Students who have an interest in dramatics of all kinds are greatly interested in the club because of the opportunities it offers them. The Newcomers Club is the required club for all 10B pupils and may be chosen by any transfer pupil during his first term in Waco High School. The purpose of the club is to give its members an opportunity to get acquainted with each other and with the customs, regulations and traditions of Waco High School.

The 1951 fall club was the largest of all Newcomer groups. Much of the credit for the smoothness with which the group worked is due the 10B Homeroom sponsors who cooperated in planning the activities for the term.

Two important committees function in each Newcomers group, the nominating and the social committees. Members to these committees are appointed by each 10B Homeroom. The nominating committee is responsible for preparing a ballot of two nominees for each office, nominees who represent all of the junior high groups. The social committee prepares for and directs the barn party which culminates the social activities of the club.

The nominating committee was Nancy Guyton, Mary Ann Bird, Lynne Koehler, Shirley Parma, Betty Bob Dove, Sarah Lou Graves, Kenneth Tiner, Peggy Mitchell, Martha Ann McGlasson, Barbara Cox, Harry Clair, Jane Goulding, Shirley Greenwood, Joyce Montgomery, Elizabeth Griffin, Martha Harston, Carolyn Brite, Shirley Guderian, and Betty Dunn.

The social committee was Barbara Snyder, Helen Holder, Sylvia Johnson, Cleveland Witt, Albert Levy, Raymond Poteet, Jean Baird, Evelyn Bain, Helen Powell, Gloria Stogdill, Retha Sheridan, Betty Dunn, Suzanne Swantner, Harry Clair, Bethel Bramlett, Billie Lee Wade, Kay Sims, Martha Harston, Shirley Mallard, and Susan Aynesworth.

The weekly Newcomers' programs are presented by the homerooms, providing varied and entertaining programs and a maximum of student participation.

Each semester all of the extra-curricular activities and clubs in school are given an opportunity to appear before the Newcomers and explain their purposes and activities. Since every 10B pupil must belong to Newcomers for one term, he has an opportunity to choose very carefully his permanent club membership and any school activity in which he may wish to take part. This system of freshman orientation has proved to be of value both to pupils and school.

Each Newcomers group has a big barn party in the gym, with appropriate decorations and refreshments. Square dancing and folk dancing with a floor show and such contests as pie-eating, egg-rolling and corn-husking furnish the entertainment for the evening.

The spring nominating committee was as follows: John Garner, Jerry Berry, Jack Levy, Joyce Davis, Yvonne Nix, Bill Robinson, Shirley Langford, and Royce Stone.

The social committee was Josie Boatman, Richard Warren, Beverly Smith, Bob Nixon, Frances DeGrazier, Margaret Pearson, Tony Rodriquez, and Patsy Edwards.

Centering around the discussion of various phases of newspaper work, the Press Club, exclusively for students of Journalism, meets on the second Monday of each month in the home of one of its members.

Reports are made at each meeting by members of THE WACOAN staff. These reports may deal with any type of newspaper reporting or advertising.

Beginning in the fall of 1950, the Press Club has used a point system by which a letter or pin may be earned. The highest ten per cent of the club receives a letter at the end of each semester.

For the last meeting of the fall semester, the club chose to have a hayride and wiener roast. The group climbed aboard a large hay-loaded truck and journeyed to the Fish Pond, where roasting wieners, games, and dancing were the chief forms of entertainment.

The Pan American Student Forum of Texas, now a part of the Educational Program of the Good Neighbor Commission of Texas, is a state organization of high school and college pupils who have as their purpose "the desire to promote better understanding and more friendly relations between the Anglo and Latin American countries of our hemisphere."

To accomplish this purpose, great effort is made to have interesting and varied programs with outside speakers, pupil-participation programs, and films.

For the past two years the local chapter has been divided into two groups and this year the membership increased so much that it was necessary to make a third section and appoint another sponsor.

The hightlight of the year for the club was the one-week visit in January to Waco High School of two Mexican students from LaEscuela Normal of Mexico, D. F., Senoritas Margarita Rodriguez Arana and Elena Feist Guerrero. The young ladies were visiting the Waco schools to observe methods of teaching and were sponsored by the Good Neighbor Commission. Members and sponsors of the Waco Chapter of the Pan American Student Forum honored the visitors with a party and presented them with souvenirs of Waco.

Rostra has been acquiring its share of points and feels assured that the society will have a successful year.

Not only has Rostra acquired its share of points in literary contests but has also received its share of points in athletic events. Rostra defeated Forum again this year in the annual football classic.

One of the highlights of the social season was the formal Sweetheart Dance at the Fish Pond. The halls were decked with sweetheart roses and the Rostra sweetheart was crowned. The members of Rostra and their guests danced to the music of an outstanding orchestra on this occasion.

One of the newest clubs in Waco High School, the Square Dance Club, was organized in January, 1951. It was composed of a group of 94 enthusiastic students under the sponsorship of Miss Mary Fickling and Mrs. Hazel Mills. The purpose of the club for this term was to learn the fundamentals of square dancing well enough to sponsor a school square dance and teach fellow students what fun it can be.

Several night meetings were held to offer further instruction and create more interest. The climax of these meetings was the visit by a group from the Waco State Home who put on an exhibition and later danced with members of our club.

Darden not only enters literary contests but also seeks service projects. Last year the Service League Cup was awarded to Darden for its outstanding service. This year they furnished Christmas and Thanksgiving meals for a poor family and gave to the Forsgard Thanksgiving Drive. In the fall members made and sold gold and white banners in order to raise funds for a CARE box sent to Greece. They gave a Halloween party and a program for the Evangelia Home. At Christmas time the girls made scrap books for the Crippled Children's Hospital. Also Darden sponsored a school drive for the Toy Chest and sold tuberculosis Christmas seals. A group sang carols at the County Farm and treated the guests with candy and magazines.

As a member of the Girls' Service League, Darden sold Armistice Day poppies, assisted as guides for the speech tournament, and sold cold drinks at the basketball games.

To keep from doing all work and no play, Darden had several socials. They included initiations, senior luncheons, and the annual dance.

During the course of the school year of 1950-1951, the Forsgard Service Club has performed many thoughtful services for the betterment of our school and community, and has endeavored to bring happiness into the lives of others.

The first and largest project of the year was the collecting and delivery of Thanksgiving baskets for the needy. Over 328 people enjoyed Thanksgiving dinner from the 69 baskets prepared by the homerooms under the supervision of Forsgard.

During the Christmas season Forsgard gave a party for 25 children of the St. Francis Mexcian Mission and 25 children of a Negro Mission. They perpared 75 favors for the U. S. Veterans Hospital and also gave boxes of toys to the Crippled Children's Hospital and the Waco State Home. On March 23, Forsgard gave an Easter egg hunt for 25 little girls from the Waco State home.

During the Spring term Forsgard sold gold and white plastic book covers to the students, and sold Easter seals to boost the funds of the Crippled Children's Hospital. Forsgard's St. Patrick's Day Dance was held on March 17.

Lesser projects have included filling a Thanksgiving basket, sending a basket of toys to the children of the Evangelia Home at Christmas time, making Easter baskets and filling them with eggs for the Crippled Children's Hospital, donating to the P.T.A. scholarship award, and selling drinks at basketball games.

On All School Night, Genheimer sponsored a Bingo booth.

During the Baylor-Waco High speech tournament, the girls furnished transportation from Waco High to Baylor for the visiting contestants. They also served as guides during the day at Waco High.

Genheimer girls are proud of the fact that they have won first places in Service Legue contests in declamation, poetry reading, radio speaking, and humorous reading. The girls winning were Norma Dunlap, Neta Lee Wizig, Helen Watson, and Gerry Glenn.

The annual spring dance was held April 21, 1951.
Invitations, decorations, and refreshments carried out the theme, April Showers.

The Sketch Club was organized in 1939 by students interested in sketching. The purpose of the club is to have fun drawing. The philosophy of the club is that anyone who can write can draw.

The club meetings are not always held in a classroom, but frequently are held in various places on the campus. Sketching fellow students, still-life and action scenes in and around school is enjoyed by all of the members. The students sketch with pencils, colored pencils, water colors and other media, but the pencil is most popular.

The club participates in all school activities. This year the members, especially William Peevey, Virginia Pharr, Mary Virginia Perdichi and Betty Carol Kutzenburger, constructed the school float for the Santa Claus Parade. Tommy Ctvrtlik, John Ryals and Ernest Roberts enjoyed driving the big snow man down Austin Avenue. The club also had a booth at the All-School Carnival.

The club has two standing committees. Members of the program committee are Bob Frazier, Patti Standefer, Mary Virginia Perdichi and Horace Dunham. Serving on the social committee are Cynthia Wislow, Thomas O'Donnell and Donald Watson.

All students who are interested in singing have an opportunity of joining the Voice Club. In this club the students are able to try out, and see if they have talent for further work. A student must be a listener for a semester before he can take an active part. Active members are limited to thirty-five in number. The following semester the old members vote new ones in to fill vacancies made through graduation. The old members elect officers to conduct the activities through the semester.

All students take part in criticizing each other for their betterment, under the supervision of the sponsor. The Vice-President makes up a schedule four weeks in advance for six members to sing each week. Each student must sing for the sponsor before appearing on a program. Texas rules for correct singing are used.

Practically all the good singers who have graduated from Waco High School have had some solo experience in the Voice Club. Through the Voice Club many students prepare themselves for the Interscholastic Music Festival, which meets the latter part of April each year.

The Power You Need is HERE NOW!

The Texas Power & Light Company is keeping abreast of North, Central and East Texas' growing power needs with an ample supply for immediate requirements as well as for the increased needs anticipated in view of the present national emergency. Barring a critical shortage of materials needed in scheduled construction projects, this Company's expansion program will be pursued vigorously . . . amply providing for any increased civilian, industrial and military power needs. As a result of long range planning, the Company can now supply more than twice as much electricity as it could in 1941, just prior to World war II. Among recently completed expansion projects are additions in generating capacity at Trinidad, Waco, Brownwood and Clarksville, and a new power plant is now being built at Gainesville.

Plans have been completed for the construction of a new 80,000-kilowatt generating plant to be in operation in early 1953 . . . and orders have been placed for the equipment for still another electric power plant of 80,000 to 100,000 kilowatts capacity to be in operation in 1954.

TP&L stands ready NOW to supply all of today's power needs in the area served and has reserve power for immediate future development. And with the completion of its present expansion program, the Company will have ample power capacity for any foreseeable requirements . . . civilian, industrial or military . . . in the area it serves.
